IMPORTANT SAFETY INSTRUCTIONS

READ ALL INSTRUCTIONS BEFORE USING THIS AIR PURIFIER AND SAVE THESE IMPORTANT INSTRUCTIONS

1. This Air Purifier is designed for use on a flat, level surface and may not work properly on an uneven surface. **ALWAYS** place this Air Purifier on a firm, level surface. **ALWAYS** place the Air Purifier at least six (6) inches away from walls and heat sources such as stoves, radiators, or heaters.
2. Place the Air Purifier in an area that is out of the reach of children.
3. Before using the Air Purifier, extend the cord and inspect for any signs of damage. **DO NOT** use the product if the cord has been damaged.
4. This product has a polarized plug (one blade is wider than the other) as a safety feature. This plug will fit into a polarized outlet only one way. If the plug does not fit fully into the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. **DO NOT** attempt to defeat or override this safety feature.
5. **ALWAYS UNPLUG** the Air Purifier when it is not in operation, while the filter is being changed, and while it is being cleaned.
6. **DO NOT** tilt or move the Air Purifier while it is in operation. Shut off and unplug before moving.
7. **DO NOT** immerse the Air Purifier in water as permanent damage will occur. Refer to and follow the **CLEANING AND FILTER REPLACEMENT** instructions.

Introduction

Thank you for purchasing the *HEPAtech*TM Air Purification System from Hunter Fan Company. You have purchased our latest development in portable Air Purification Systems. This system has been developed to improve the quality of the air you breathe.

Our *HEPAtech*TM Air Purification System out performs other air purification systems by quickly and effectively removing dust, smoke, and pollen particles as small as .1 microns in size. Room air is pulled in through the front grill and cleaned across the *HEPAtech*TM filter. Clean air is then released out the top grill in order to avoid stirring up settled particles.

Models *HEPAtech*TM 125 (Model 30125 and 37125) and *HEPAtech*TM 165 (Model 30165) include an ionizer.

Using the ionizer improves the quality of air in the room. Negative ions are released into the air and positively charged dust, smoke, and pollen particles are attracted to the negative ions. These particles settle out of the air and can be vacuumed up during normal cleaning. These particles are also more easily captured by the *HEPAtech*TM filter as they pass through the *HEPAtech*TM Air Purification System. To ensure the best air circulation in the room, we recommend that you place your air purifier six inches away from any walls.

Air Purifier Features

Model 30110

1. **Power Switch:** To turn on the power, press the rocker switch to the '●' position. The green light will be illuminated when the power is 'on'.
2. **Speed Control:** Use the slide switch to select the speed of the air purifier.

Model 30125 and 37125

1. **Power Switch/Speed Control:** Use the slide switch to turn the unit 'on' and 'off'. Select the speed of the air purifier by sliding the switch.
2. **Ionizer:** To turn 'on' the ionizer, press the rocker switch to the '●' position. The green light will be illuminated when the power is 'on'.

Model 30140, 30165 Electronic Key Pad Control

1. **On/Speed Control:** Press this button to turn the unit 'on'. When you press it once, the unit will be on low speed. Keep pressing the button to change speeds until you reach the speed you desire.
2. **Automatic Shut-off:** If you desire the air purifier to shut off automatically, you can set the timer. Press the timer button to choose the amount of time you would like the air purifier to run (1, 2, 4, or 8 hours). Press the button repeatedly to change the length of time.
3. **Ionizer:** Press this button to turn 'on' the ionizer. When the ionizer is 'on', the green light to the left of the button will be illuminated.
4. **Check Filter:** When the check filter light is illuminated, you should open the front grill and compare the filter to the check filter chart. If the filter is dark, you should replace the filter.
5. **Reset:** When you change the filter, press the reset button. Use the tip of a pen or pencil to press the reset button.

AIR PURIFIER PARTS

Models 30110, 30125, 37125, 30140 and 30165 all open in the same manner.

Using Your Air Purifier

1. Remove your air purifier from the box and take it out of the clear plastic protective bag.
2. Place your *HEPAtech*TM Air Purification System on a firm, flat surface.
3. Before turning the Air Purifier 'on', you need to open the front grill and remove any protective plastic that may be surrounding the *HEPAtech*TM filter. Release the front grill by pulling the grill forward near the bottom of the unit.
4. The filter will be installed in the correct position. Grasp the filter and pull it forward. When you replace the filter in the unit, the white filter material should be facing outward (towards you) and the black carbon material should be hidden from view (inside the unit).
5. Replace the front grill. Lay the unit on it's back. Locate the top tabs in the unit first, and then push the bottom of the grill into the unit until it is closed. The unit is now ready for normal operation. **NOTE:** The unit will not operate unless the door is placed in the correct position.
6. Plug the unit into a 120V electrical outlet.

Cleaning And Filter Replacement

(Models 30110, 30125, 37125, 30140 and 30165 use Replacement Filter 30925)

1. Clean the outside of the unit with a soft, damp cloth. The front grill can be removed and cleaned in soapy water. **Be sure that all parts are completely dry before you reassemble them to the Air Purifier.**
2. When you remove the front grill to clean it, you should also remove the pre-filter from the front grill and gently wash it in soapy water. Washing the pre-filter can help extend the life of your *HEPAtech*TM Filter.
3. Every few weeks, you should open the front grill and view the condition of the *HEPAtech*TM Filter. Compare the filter to the color coded chart that is on the inside of the housing. If the filter matches the dark color on the chart, you should remove the filter and replace it with a new filter. Be sure to remove any plastic wrapping that may be on the new filter before you place it into the Air Purifier.

Mounting the Air Purifier to the Wall

Your air purifier has keyhole slots on the back which can be used to mount your air purifier to the wall. To mount your air purifier to the wall, use plastic dry wall type anchors #14-16 and ¼" lag screws 1½" long, or equivalent. Optimum performance will be achieved when the unit is placed on the floor, 6 inches away from the walls.

Replacement Filters:

To obtain a replacement filter for your Air Purifier, call customer service at 901-248-2222 or e-mail us at TechSupport@hunterfanhq.com. Please be prepared to tell the operator the model number of your Air Purifier and the model number of the filter you need to replace. Models 30110, 30125, 37125, 30140 and 30165 use Model 30925 Replacement Filters.

How The *HEPAtech*TM System Works

The above is an illustration of how the *HEPAtech*TM air purification systems work. Dust and other irritants are pulled into the air purification system and cleaned through the *HEPAtech*TM Filter. Clean, purified air is released into the room.

Hunter Fan Company
HEPAtech™ Air Purification System
5 YEAR LIMITED WARRANTY

The Hunter Fan Company makes the following limited warranty to the original residential user or consumer purchaser of the *HEPAtech™* Air Purification System:

If any part of your *HEPAtech™* Air Purification System ("Air Purifier") motor fails during the first five (5) years from the date of installation to you due to a defect in material or workmanship, we will provide a replacement Air Purifier free of charge. Installation is deemed to occur at the date of purchase.

If the Air Purifier cord, ionizer, or front grill fails any time within one (1) year after installation due to a defect in material or workmanship, we will replace or, at our option, repair the unit free of charge at our nearest service centre or at our Service Department in Memphis, Tennessee. You will be responsible for all parts and labour costs after this one-year period.

USE OF A NON-HUNTER FILTER WILL INVALIDATE THIS WARRANTY. IF THE ORIGINAL RESIDENTIAL USER OR CONSUMER PURCHASER CEASES TO OWN THE AIR PURIFIER, THIS WARRANTY AND ANY IMPLIED WARRANTY WHICH THEN REMAINS IN EFFECT, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE VOIDED.

NO WARRANTY, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, IS MADE IN RESPECT TO THE FILTER MATERIAL OR CARBON FILTER.

THIS WARRANTY IS IN LIEU OF ALL OTHER EXPRESS WARRANTIES. THE DURATION OF ANY IMPLIED WARRANTY INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, IN RESPECT TO THE MOTOR IS EXPRESSLY LIMITED TO THE PERIOD OF THE EXPRESS WARRANTY SET FORTH ABOVE.

This warranty is voided if the air purifier is not purchased and used in the USA or Canada.

This warranty excludes and does not cover defects, malfunctions or failures of the Air Purifier which were caused by repairs by persons not authorized by us, use of parts or accessories not authorized by us, mishandling, modifications, or damage to the Air Purifier while in your possession, or unreasonable use, including failure to provide reasonable and necessary maintenance. This warranty does not cover Air Purifiers used in commercial applications. There are no express or implied warranties as to commercial purchasers or users.

To obtain service, contact the nearest Hunter authorized service centre or the Hunter Fan Company Service Department, 2500 Frisco Avenue, Memphis, Tennessee 38114, 901-248-2222. For the name of our nearest authorized Hunter Fan Company Service Centre, write to the Hunter Fan Company at the preceding address. You will be responsible for insurance and freight or other transportation to our factory service center. We will return the Air Purifier freight prepaid. The Air Purifier should be properly packaged to avoid damage in transit since we will not be responsible for any such damage. Proof of purchase is required when requesting warranty service. The purchaser must present sales receipt or other document that establishes proof of purchase.

IN NO EVENT SHALL HUNTER FAN COMPANY BE LIABLE FOR DIRECT, INDIRECT, SPECIAL CONSEQUENTIAL OR INCIDENTAL DAMAGES IN EXCESS OF THE PURCHASE PRICE OF THE AIR PURIFIER. YOUR SOLE REMEDY WILL BE REPAIR OR REPLACEMENT AS PROVIDED ABOVE.

SOME AMERICAN STATES AND CANADIAN PROVINCES DO NOT ALLOW:

- LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS;
- THE EXCLUSION OR LIMITATION OF DIRECT, INDIRECT SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES;

SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE OR PROVINCE TO PROVINCE.
