HOW TO ADJUST THE SPEED

1. You can select a speed by turning the position selector to the speed required, from Speed 1 to Speed 5.
2. No matter where the position selector is situated, you can get a higher speed immediately by pressing the “Burst” button.

NOTE: Do not press the “Burst” button if the position selector is at the “0” position. This may damage the mechanism.

SELECTION OF SPEEDS

Speeds 1 through 5: For continuous use of stirring, beating or mixing of ingredients and thin batters. May also be useful for whipping egg whites or flour into various doughs. May be used in mixing cake dough, making sauces and even heavy doughs.

SPEED GUIDE FOR HAND MIXER

SPEED		MIXING TASKS
1	Stir	Use when stirring liquid ingredients or when mixing dry and liquid ingredients together alternately in a recipe. Use when preparing any of the ready-prepared or packaged instant puddings.
2	Mix	Use when a recipe calls for combining ingredients together. Use for quick breads or muffins that require a brisk action, just enough to blend.
3	Blend	Use when preparing cake mixes or for directions calling for medium speed. Use to cream butter and sugar together.
4	Beat	Use when preparing a frosting from a recipe or package. Use when whipping cream for desserts.
5	Whip	Use to mash potatoes to develop a light and fluffy texture. Use when whipping egg whites.
BURST OF POWER®		During especially heavy mixing tasks, press the button to drive through the mixture with ease.

1-Year Limited Warranty

Sunbeam Products, Inc. doing business as Sunbeam Corporation (Canada) Limited doing business as Sunbeam Corporation warrants that for a period of one year, the product is free from material and workmanship defects. This warranty is not in effect if the product is found to be defective because of negligent use or misuse of the product, or if the product is a remanufactured product or component part made with a similar product of equal quality.

This warranty is valid for the original purchaser only and is not transferable. Keep the original receipt for proof of purchase. JCS dealers, service centers, or authorized repair centers may alter, modify or in any way change the terms of this warranty.

This warranty does not cover normal wear and tear, damage due to negligent use or misuse of the product, or damage caused by instructions, disassembly, repair or alteration of the product at a service center. Further, the warranty does not cover consequential damages.

What are the limits on JCS's Liability?

JCS shall not be liable for any incidental, consequential, or statutory damages, express, implied or statutory warranties.

Except to the extent prohibited by applicable law, JCS disclaims all other warranties, express or implied, of merchantability or fitness for a particular purpose, and any other warranty.

JCS disclaims all other warranties, express or implied, of merchantability or fitness for a particular purpose, and any other warranty.

JCS shall not be liable for any damage to property, or inability to use the product including consequential damages or profits, or for any breach of contract by the purchaser by any other party.

Some provinces, states or jurisdictions may have laws that limit or exclude consequential damages or limitations or exclusion may not apply.

This warranty gives you specific legal rights. These rights may vary from province to province, state to state or country to country.
