Pro Wall Chimney Hoods

With standard features like heat sentry and dual setting halogen lighting, Wolf pro wall chimney hoods provide the ultimate in ventilation. Pro wall chimney hoods are available in four widths. The pro wall chimney hood installed with an optional 6", 12", 18" or 24" stainless steel duct cover completes the chimney design.

Model PWC362418 shown.

FEATURES

- Stainless steel finish.
- Optional stainless steel duct cover, available as a sales accessory, completes the chimney design.
- Heavy-duty, 16-gauge brushed stainless steel with continually welded seams, hemmed edges and sides.
- Stainless steel enclosed liner.
- Recessed easy-access controls.
- Infinite-speed blower control.
- Heat sentry feature automatically turns unit on when heat is sensed and automatically adjusts blower speed.
- Halogen lighting with two settings.
- Removable, dishwasher-safe, restaurant-grade stainless steel baffle filters.
- Transition with backdraft damper included.

Recessed controls.

Baffle filters.
