Majestic Direct Vent Insert Systems  
ENJOY INCREASED HEATING EFFICIENCY

MAJESTIC 

It's easy to convert your old, inefficient masonry fireplace into an attractive and efficient focal point of your home with Direct Vent Insert Systems from Majestic. Featuring sleek style, realistic flames and powerful heat output, you'll be able to enjoy the warmth and comfort of an efficient fireplace that helps save on fuel costs. Choose from various trim and surround styles to create the perfect look for your home.

20ILDV with optional Black Beveled surround with hood shown on cover
